

**Aishabai College of Education**  
**Placement Cell Report**  
**(2020-2021)**

**Overview:**

The Placement Cell of Aishabai College of Education conducted several creative and impactful online activities during the academic year of 2020-2021, for the batch of students from 2019-2021 specifically between December 2020 and March 2021. Despite the challenges posed by the global pandemic, the cell successfully facilitated the placement of 30 students in reputable schools and colleges across Mumbai, ensuring their employability in a competitive job market.

**Key Activities Conducted:**

*1. Online Workshops and Webinars:*

A series of online workshops were organized focusing on enhancing employability skills. These included sessions on resume writing, interview preparation, classroom management techniques, etc.

Webinars featuring industry experts and experienced educators were held to provide insights into current educational trends and the expectations of schools in a post-pandemic environment.

*2. Mock Interviews:*

The Placement Cell conducted mock interview sessions in collaboration with experienced school HOD and HR professionals from FLAG, MPS- FCS, Fazlani Aishabai Trust. These sessions were aimed at building confidence and providing constructive feedback to students.

*3. Portfolio Development:*

Students were guided through the process of creating professional portfolios. This included crafting a compelling teaching philosophy, curating lesson plans, and incorporating digital tools to showcase their teaching skills. This is also part of the syllabus EPC in the second-year B.Ed. Course.

#### 4. Networking Events:

Virtual networking events were organized, allowing students to connect with alumni and potential employers. These events provided valuable opportunities for students to engage with professionals in the field and explore job opportunities.

#### 5. Career Counselling Sessions:

Career counseling sessions were provided to help students align their career goals with available opportunities by our counselor & staff Ms. Rubina Hans in online mode due to the pandemic. These sessions were tailored to individual student needs, focusing on strengths, areas for improvement, and long-term career planning.

#### Outcome:

Through these initiatives, 28 students secured placements in various schools and colleges across Mumbai. These placements not only reflect the high standard of training provided by Aishabai College of Education but also the adaptability and resilience of our students in navigating the challenges of a digital job market.

These images capture the vibrant and engaging online environment fostered by the Placement Cell, showcasing active student participation and interaction with industry professionals.

#### Conclusion:

The Placement Cell's efforts during the 2020-2021 academic year were instrumental in ensuring that our students were well-prepared and positioned for success in their teaching careers. The creative use of online platforms to conduct activities and facilitate placements is a testament to our commitment to student success, even in challenging times.
