

Aishabai College of Education

Placement Cell Report

Academic Year 2021-2022

➤ **Introduction**

The Placement Cell at Aishabai College of Education plays a pivotal role in bridging the gap between aspiring teachers and educational institutions seeking qualified educators. The academic year 2021-2022 witnessed a continued emphasis on fostering employability skills and enhancing the overall placement rate of our students, despite the challenges posed by the pandemic. The Placement Cell diligently organized various activities in online mode to prepare students for the job market, resulting in successful placements across schools in Mumbai.

➤ **Activities Conducted (December 2021 - March 2022)**

During the specified period, the Placement Cell organized several creative and interactive online workshops to equip students with essential skills and knowledge. The activities included:

1. Resume Building Workshop

A comprehensive workshop focusing on creating professional resumes that highlight the students' strengths and qualifications. This workshop was conducted by Ms. Rubina Hans

2. Mock Interviews

Conducted by experienced faculty members and industry professionals, these sessions provided students with real-life interview scenarios and constructive feedback.

3. Teaching Demonstrations

Students were allowed to conduct teaching demonstrations online, which were reviewed by a panel of educators. This helped in refining their teaching methodologies.

4. Webinars on Current Educational Trends

A series of webinars featuring experts in the field of education, discussing the latest trends, challenges, and innovations in teaching.

5. Networking Sessions with Alumni

Online networking events were organized to connect current students with alumni who have successfully established their careers in the education sector.

6. Digital Skills Training

Workshops focused on enhancing students' proficiency in using digital tools and platforms, which became increasingly important in the online teaching environment.

➤ Outcomes

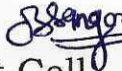

The activities conducted by the Placement Cell yielded positive results, with 30 students successfully placed in various institutions across Mumbai. The following key points highlight the outcomes:

- **Schools Participating in the Placement Drive:** A diverse range of schools from different educational boards participated in the placement drive, showing confidence in the quality of our graduates.
- **Job Roles Secured:** The students secured roles as Primary/ Secondary / Higher Secondary Teachers, Subject Specialists, and Co-curricular Activity Coordinators.

➤ Conclusion

The academic year 2021-2022 was marked by the resilience and adaptability of our students, who embraced the virtual mode of learning and training. The Placement Cell's efforts were instrumental in ensuring that our students were well-prepared and confident in securing employment in the education sector. We could successfully get placement of 28 students through the Placement cell. We remain committed to supporting our student's career aspirations and look forward to further strengthening our placement initiatives in the coming years.
