

Aishabai College of Education: Placement Cell Report

(Academic Year 2022-2023)

Overview

The Placement Cell at Aishabai College of Education is dedicated to facilitating successful transitions from education to employment for our students.

From March 2022 to April 2023, the Placement Cell conducted a series of dynamic and interactive workshops aimed at enhancing the employability skills of our students. These workshops were meticulously designed to cater to the demands of the current job market and were conducted entirely online, ensuring accessibility and safety for all participants.

1. Interview Skills Workshop:

This workshop focused on equipping students with the skills needed to excel in interviews, which had become the norm during the pandemic. Students were trained on effective communication techniques, etiquette, and how to make a lasting impression in an environment.

Highlights:

1. Mock interviews conducted with real-time feedback.
2. Sessions on resume building and crafting impactful cover letters.

Ms. Rubina Hans was incharge and resource person for the said workshop

The program was designed to align with the specific needs of schools in Mumbai.

Highlights:

1. Interactive group activities conducted online.
2. Real-world case studies and problem-solving exercises.

Outcomes and Achievements

The series of workshops conducted by the Placement Cell culminated in remarkable success, with 47 of our students securing teaching positions in various schools across Mumbai. These placements are a testament to the effectiveness of the online workshops and the resilience of our students in adapting to new learning and working environments.

Conclusion

The Placement Cell at Aishabai College of Education remains committed to fostering the professional growth of our students. The innovative online workshops conducted during the academic year 2022-2023 are a reflection of our adaptability and dedication to student success. We are proud of our student's achievements and will continue to provide them with the support and resources needed to thrive in their careers.

As we move forward, the Placement Cell will continue to innovate and adapt, ensuring that our students are well-equipped to meet the evolving demands of the education sector.
