Gate no. 14, Byculla, Mumbai – 400008.

# **Criterion I**

## **Curricular Aspects**

### **1.1: Curriculum Planning**

#### **1.1.1**

**Plan developed for the last completed academic year:**

## 2023- 2024

Our institution is focused on integrating theoretical knowledge with practical teaching experiences to enhance professional competencies. Key elements of the plan included rigorous engagement with pedagogical theories through coursework, active participation in classroom observations, and hands-on teaching practice in diverse educational settings. Emphasis was placed on developing effective lesson plans, employing various instructional strategies, and addressing classroom management challenges. Additionally, the plan incorporated regular feedback sessions with mentors to refine teaching techniques and adapt to students' needs. Reflective practices and collaborative projects with peers further supported the goal of becoming a well-rounded and adaptable educator, preparing for a successful transition into the teaching profession.

The Planning Committee and the Internal Quality Assurance Cell undertakes the annual planning for academic as well as non-academic activities. For this purpose, an Academic Planner is prepared by the staff council which has monthly schedule details. As per the need of the local community, a few details are added or deleted from the annual plan.
