Subject: Clarification Regarding Metric 5.2.3 Data Submission

Dear Sir/Madam,

I am writing to provide clarification regarding the data submitted under Metric 5.2.3, which pertains to the number of students appearing for competitive exams.

As Aishabai College of Education is an undergraduate (UG) institution offering only the Bachelor of Education (B.Ed.) course, we have provided data exclusively on students appearing for competitive exams.

Our institution does not offer any Postgraduate (PG) programs; therefore, we do not have data pertaining to students appearing for competitive exams such as NET/SET, as the minimum eligibility criteria for these exams is typically a Master of Education (M.Ed.) degree, which students pursue after completing their B.Ed.

For our B.Ed. students, the relevant competitive exam is the Central Teacher Eligibility Test (CTET), and our data reflects their participation and success in this exam.

We trust that this explanation clarifies our data submission for Metric 5.2.3.

Thank you for your understanding and consideration.

Yours sincerely,

Dr. Shumaila Saif Siddiqui

CTET Guidance

Report on CTET Exam Guidance at Aishabai College of Education

Event: CTET Exam Guidance

Dates: January 16 to 19, 2024

Venue: Aishabai College of Education

Overview

Aishabai College of Education organized a comprehensive guidance program for the Central Teacher Eligibility Test (CTET) from January 16 to 19, 2024. This initiative was aimed at equipping students with the necessary knowledge and skills to excel in the CTET exam.

Objectives

- To provide in-depth understanding of all CTET subjects.
- To offer strategies and tips for effective exam preparation.
- To familiarize students with the exam pattern and types of questions.

Program Highlights

1. Subject-wise Sessions:
 - a. Child Development and Pedagogy: The general orientation was given by Dr. Shumaila Siddiqui. Focused on child psychology, teaching methodologies, and pedagogical techniques.
 - b. Language I (English): Emphasized grammar, comprehension, and language development strategies. This was given by Dr. Nafisa Roopawalla

- c. Language II (Hindi): Covered language skills, comprehension, and teaching methods. This paper was explained by Dr. Jyotsna Sangore.
 - d. Mathematics: Included problem-solving techniques, mathematical concepts, and teaching methods. This guidance was provided by Ms. Joya Chaudhari
 - e. Environmental Studies: Addressed topics on environmental education, ecology, and pedagogical approaches. This Guidance was provided by Dr. Madhuri Bendale
 - f. Social Studies/Social Science: Provided insights into history, geography, political science, and effective teaching strategies. This guidance was provided by Dr. Jasvanti Adhangle.
2. Exam Strategies:
 - a. Time management techniques.
 - b. Tips for answering multiple-choice questions.
 - c. Mock tests and practice papers to simulate the exam environment.
 3. Interactive Workshops:
 - a. Group discussions and Q&A sessions.
 - b. Interactive activities to reinforce learning.
 4. Resource Materials:
 - a. Distribution of study materials, sample papers, and reference books.
 - b. Access to online resources and e-content for additional practice.

Outcomes

- Enhanced Understanding: Students gained a thorough understanding of the CTET syllabus and exam pattern.
- Confidence Building: The program boosted students' confidence by providing them with practical tips and strategies.

- Improved Preparation: Access to mock tests and practice materials helped students improve their preparation levels.

Feedback

Students expressed appreciation for the dedicated guidance and the structured approach of the program. Many felt more confident about their ability to perform well in the upcoming CTET exam.

The CTET exam guidance program at Aishabai College of Education was a significant step towards helping students achieve their certification goals. The college remains committed to providing quality education and support to its students, ensuring their success in various competitive exams.
