Institution has water management and conservation initiatives in the form of

Fazlani Aishabai and Haji Abdul Latif charitable trust have tie up with J J Hospital, Byculla, Mumbai. As Aishabai College of Education belongs to the trust and also have MOU's with Fazlani trust so any matter related to water management and conservation initiatives are dealt with J J Hospital.

The J J Hospital have its own water management system and also regularly they take this concern under consideration. J J Hospital also have MOU's with Rotary club of Mumbai and Eureka Forbes.

Also, the building of Aishabai College of Education comes under BMC and all the concern with water management is taken care by BMC.
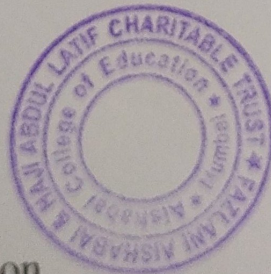

The college on its level guides students to use water efficiently so that wastage of water can be reduced. The college have a water storage tank on the terrace which collects water and supplies to the whole building. The college uses water sprinklers for tap so that less water can be used.

The waste water is disposed in gutters through pipes and then further treatment is taken care off by BMC. The college regularly maintains the pipelines.
