Subject: Application for Sabbatical Leave to Pursue PhD for One Year

Dear Principal Mam,

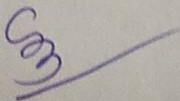

I hope this letter finds you well. I am writing to formally request sabbatical leave for a duration of one year, from 1st October, 2023 to 30th September, 2024 to pursue my PhD in Education at SNDT University. This sabbatical will provide me with the opportunity to dedicate myself fully to my research, which I believe will contribute significantly to both my academic development and my future contributions to Aishabai College of Education.

Throughout my tenure at Aishabai College of Education, I have always strived to enhance my knowledge and skills to better serve the institution and my students. I am confident that pursuing a PhD will allow me to gain advanced expertise in my field, enabling me to bring new perspectives and methodologies into the classroom, as well as contribute to research initiatives at our institution.

I have ensured that all my current responsibilities will be covered during my absence, and I am happy to work closely with my colleagues to ensure a smooth transition. I will also keep the department informed of my progress throughout the sabbatical period.

I kindly request you to consider my application and grant approval for the sabbatical leave. Please let me know if any further information or documentation is required.

Thank you for your time and consideration.

Yours sincerely,
Prof. Sofia Edroos
