### **Introduction**

Alumnae reunions are cherished events that bring together graduates, fostering a sense of community and celebrating the legacy of an institution. In the digital age, virtual alumni meets have become an innovative and effective way to connect with former students. This report outlines our recent virtual alumni meet of Aishabai College of Education.

### **Objective**

The primary objective of organizing a virtual alumni meet was to reconnect with our graduates, provide them with updates on college developments, and encourage their continued involvement in the institution's growth. Despite geographical distances, we aimed to strengthen the bonds between the college and its alumnae.

### **Key Activities**

**Virtual connection:** We created a Google Meets link to facilitate alumni participation. Promotion was done through social media, emails, and personal outreach.

**Welcome Address:** The event commenced with a warm welcome address from the Principal, highlighting the college's recent achievements and ongoing projects.

**Alumnae Sharing Sessions:** Alumnae were invited to share their post-college experiences, professional accomplishments, and the impact of their training. These sessions inspired current students and created a sense of pride.

### **Conclusion**

The virtual alumnae meet was a resounding success, with a significant turnout of alumnae from various batches. It rekindled connections, allowed for networking, and served as a valuable platform for knowledge exchange.
