PIDILITE SKILL DEVELOPMENT CERTIFICATE COURSE

COURSE LEARNING OUTCOMES-

Develop practical proficiency in various art and craft techniques such as Dabupainting, pebble art, and spray painting.

Foster creativity and innovation by encouraging students to explore different mediums and styles of artistic expression.

Cultivate organizational and presentation skills through the planning and execution of an exhibition to showcase their work to a wider audience.

Enhance teamwork and collaboration abilities by collectively curating and managing the exhibition, thereby promoting a sense of community and shared achievement among student participants.
